- True center drain
- Also available for installation against a wall complete with double tiling flange (integral skirt on three sides)
- Freestanding versions (72" x 36" and 66" x 36")
- For that retro look!

Broadway

- 66" x 32", deck installation

Legende

- 72" x 42" x 24" oval, available as freestanding, pedestal or deck installation

New electronic control

- A new, avant-garde, refined design
- Back-lit
- Available with all systems

Chromatherapy promotion

With the purchase of a bathtub equipped with the Super AeroMassage™ system, you will receive the chromatherapy option free of charge!

On all other models, it is available at **\$599 as part of this promotion!**

Some **prices** have been **lowered!**

Many prices have been lowered so that you can be more competitive for the versions sold with or without the Super AeroMassage™ system. **Check it out!**

Just in! The new **"Entrée" Collection!**

Oceania has designed a line of products whose base configuration is perfectly in line with the current market demand. Products in the "Entrée" Collection are available at competitive prices and include:

- Full function electronic control
- A variable speed control system
- Integrated heating element in the blower
- Super silent blower
- Factory prelevelled legs (non-adjustable)
- Single purge-dry cycle activated 13 minutes after using the blower.
